Dear Linc

Mercedes want to say "thank you" for the excellent support Chris Nevers is doing regarding the current MY2010 certification activities. The quick response for example on the verify process is extremely helpful.

Especially the Bluetec SUV's, where Chris supported us excellent, helps our company to deal with the current economical situation. Mercedes Canada [redacted] CBI / Ex. 4 vehicles [redacted] CBI / Ex. 4 and no other possibility is available to satisfy the demand of customers.

Therefore Mercedes kindly ask for the COC if possible today in the morning, eastern time. As soon as we have the COC we are able to request the EO from the CARB.

Since ARB is not working on Friday Annette Herbert committed to sign the EO today as soon as we are able to provide the COC.

May I kindly ask you for your support.

Best regards

Klaus
